Tutorial: Registration and login

Some contents of this site are available only to registered users. Registration is free, but you must register to view certain pages.

During the process you will create a user ID and Password to log in to the site.

- Input your contact information plus the name and email address of your Responsible Certified Applicator. We will send status information to your RCA as you progress through the course.

Once you have registered, you must then use your user ID and Password to login to the site to view the pages.

For a detailed description of the process continue below:

1. Enter your user information. All the fields are required. Then click on Register Me at the bottom of the page.

Register now, it's Free!

Create Profile (* asterisk = required field)

First Name *

Last Name *

Your Email Address * (where we will send you notifications.)

Username * (Enter the name you wish to use to login: use lower-case letters, numbers or spaces only. **This cannot be changed!**)

Password (type this twice please) * (Strong passwords must be at least 10 characters, include numbers, mixed caSe letters and special characters (!,@,#,$,%,&,). Ex: $YourPassWord15)

Click the Register Me Button to Complete Registration

Register Me

You did write down your password – didn't you?

2. The next screen verifies your successful registration. If you don't see this page your registration did not complete for some reason. Click the login button to login to the site.

Test

Thank you for registering to our Online Training Site! This is the first of two steps needed to access our training information.

Your next step is to login to the site using the user name and password you just created. (You did write down your password, right?)

Well, if you didn't write things down, do it now! This is your last chance!

- You registered with the following Username: **testUser3**
- You selected this as your login Password: **TestUser3$**
- We will send notifications about your progress to:
testuser3@NewVistaVideo.com

Do not click the browser back button. If you do it will take you to the registration page again.

The user name you created is specific to you and cannot be changed. You will use it to login to the training information.

Click on this button to login:

Login

3. The next screen will allow you to enter your new Username and Password to access the site.

Enter your chosen user name and password and then click Log In button and you will go to the Course Sign Up page.
